Mike Wolfram
Environmental Engineer
U.S. Environmental Protection Agency
Region VII
324 East Cleveland Street
Kansas City, MO 64106

Dear Mr. Wolfram:

Confirming our phone conversation of Tuesday July 23, 1985 the EPA has deleted its requirement that Rose Chemicals, PCB Division provide environmental impairment insurance coverage. All other forms of liability coverage (bodily injury or property damage) shall be required as outlined in EPA letter of July 1, 1985.

Thank you for your attention in this regard.

Sincerely,

J. Bryan Carolan (28)
